Khizra Community Gardening Day

A lovely Gardening Day spent planting and pruning trees with The Orchard Project!

Big thanks to our young green-fingered helpers and the dedicated volunteers who've given their time and care over the years. Your efforts are helping our community grow – quite literally!

North Manchester Khizra health fair 2025

Our Family Health Fair was a big hit with the community!

From free health checks and expert advice to fun for all ages — the day had it all! Highlights included the healthy cooking session, an action-packed karate demo, the giant bouncy brain inflatable, penalty shootout fun, and a creative sustainable fashion workshop.

Thanks to everyone who joined us and made it a day to remember!

#UnityIftar at Khizra Mosque

Across the series, we were honoured to host around 500 guests, from other faiths. Some were old friends, others were new connections, but we all came together in a spirit of unity, understanding, and shared humanity. These gatherings were more than just meals, they were opportunities to build bridges, foster dialogue, and strengthen the resilience of our communities. Together, Unafraid.

It was a truly a special experience for all involved.
