

# KHIZRA MOSQUE NEWSLETTER & ACTIVITIES

Art Competition Achievement

The mosque children took part in an art competition as part of the Cheetham Festival.

We are delighted to share that Asbah Safi won first place in her age group, creating a beautiful piece of art accompanied by a heartfelt poem.

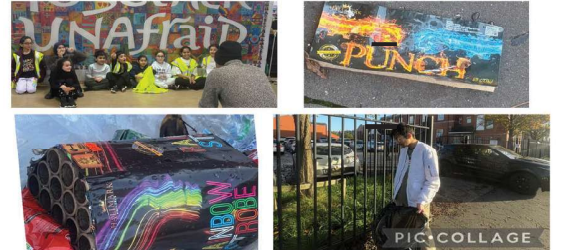

Well done, Asbah! We wish you continued success and creativity in the future.

Weaving Trust in Greater Manchester - Building Connections Across Difference

Our recent Weaving Trust event at Khizra Mosque was a great success, bringing together a packed room of participants from across Greater Manchester and beyond.

People from different walks of life, faiths, and beliefs came together in honest and open conversation, united by a shared vision for a more respectful and understanding society. Simple one-to-one dialogues between people who had never met before proved deeply valuable and inspiring. At a time when some seek to divide communities, this event was a powerful reminder of what can be achieved through listening, empathy, and connection.

Post-Firework Night Clean Up

We completed our annual post-firework night litter pick, and once again the community came together to make a real difference.

We covered Heywood Street, Cheetham Hill Road, and the surrounding streets — picking up litter, clearing used fireworks, and helping to look after our shared streets and public spaces. We were also joined by a local firefighter, who shared important safety advice as we head into the short days and early dark nights. He explained how to safely dispose of discharged fireworks and reminded everyone about the importance of wearing reflective or light-coloured clothing to stay visible during darker evenings. Let's continue to care for the area we live in. Every bit of effort helps keep our community cleaner, safer, and more connected.
