

# KHIZRA MOSQUE NEWSLETTER & ACTIVITIES

**The Joshie Man Visits Khizra Mosque with 'Cake Not Hate' Message**

Khizra Mosque and Community Centre welcomed the viral social media campaigner known as "The Joshie Man", a 12-year-old autistic boy, along with his father, Dan, during Ramadan.

He has gained national attention for visiting mosques across the UK to challenge far-right narratives and promote unity through his campaign, "Cake Not Hate." During his visit, he met worshippers and distributed dates to those breaking their fast at iftar, showing solidarity with the fasting community.

**Over 45's Mens Exercise Sessions**

Throughout the blessed month of Ramadhan, our Unity Iftar programmes welcomed guests from across the community to share in the spirit of togetherness and understanding.

Non-Muslim neighbours were invited to visit the masjid, take part in guided tours, and learn more about the work of the centre and the teachings of Islam.

Visitors were introduced to the significance of fasting, prayer, charity, and reflection during Ramadhan. The evenings provided a valuable opportunity to build bridges, answer questions, and strengthen community relations.
